Pattern Notes

- Advanced beginner pattern
- Written in US crochet terms
- Finished size: 12.5" across (when laid flat) x 15" long (excluding handles); wings are 4.25" wide.
- Gauge: Rnds 1 – 7 = 4", 13 hdc = 4"
- Beginning chain does not count as a stitch. Always place 1st stitch of each round in same stitch as beginning chain unless stated otherwise.
- Stitch count is only listed on each round when there is a change.
- The bag is worked in the round from the bottom up.
- I do not clip the yarn when making color changes. I drop the yarn and pick up the next color.
- **Color changes:** For color changes, work pattern as instructed and on the last stitch before the color change, stop before the last yarn over. Pick up the alternate color and complete the stitch.
